Brandon Jia

bljia2020@gmail.com | Chapel Hill, NC

Education

East Chapel Hill High School Class of 2028

GPA: 4.00 unweighted / 4.73 weighted | SAT: 1560

Dual-enrolled at NC State; online student at NCSSM.

Completed Calculus III and Advanced Linear Algebra at NC State; currently taking Applied Differential Equations I.

Research

Quantum Matching Preclusion of Odd Complete Graphs

B. Jia, A. Malhotra, N. Bhandari, A. Srivastava

Accepted to IEEE URUCON 2026.

Reversion and Compensation of Antibiotic Resistance under Repeated Treatment Bottlenecks

B. Jia

Ongoing under Dr. Luiz Carvalho.

Stochastic modeling of resistance and compensatory dynamics.

Experience and leadership

Integrated Mathematics 2026–present

Founder and Director

- Directed math tournaments with a combined 500+ registrants from 60+ countries and $1,500 in prizes.
- Built an adaptive competition-math diagnostic with 50+ original problems.

East Chapel Hill DECA 2026–present

President

Leading a 130+ member chapter and a 25+ member officer team.

East Chapel Hill Math Club 2026–present

President

Organizing in-person and virtual events for mathematical growth.

MIT Beaver Works Summer Institute Summer 2026

Quantum Software Development

Led a team studying perfect quantum strategies for matching games.

Selected honors

- **USAJMO qualifier, 2026.** 1 of 250 nationally; top 0.3%.
- **AMC 10B Distinguished Honor Roll, 2025.** Top 1% of 70,000.
- **AIME qualifier, 2024 and 2025.** Top 2.5% of 70,000.
- **Purple Comet!, 2026.** Team tied 1st worldwide, High School Large School division; 30/30. Top 0.02% of 4,000 teams.
- **Personal Finance Challenge, 2026.** Team 4th nationally (top 0.05% of 7,000+ teams) and 1st in North Carolina (top 0.4% of 250+ teams).
- **DECA ICDC qualifier, 2026.** Top 4%; 7th in NC Marketing Communication Series.

Skills

Q#, Python, Java, LaTeX, Asymptote, Mathematica.

Interests

Competition math, visual art, personal finance, science-based lifting, basketball, speed cubing.
